AUGUST ARTIST DEMO & WORKSHOP

Unleash your creativity through Neurographica - a hands-on demo by Joan Crutcher. Neurographic Art is an introspective drawing method to open our subconscious mind (the home of creativity) and see where it takes us.

Tuesday, August 15 , 6:00-9:00pm.

"The summer sun welcomes me out to sandy beaches with palm trees. I am lulled by caressing rays as warm as heavy, denim quilts. The heat melts away distresses from my muscles, from my thinking. Entranced and contented, I bask in the careless arms of sunshine."

-Richelle E. Goodrich
